

# KELLER COMPETITION

2023-24 Repertoire

Welcome to the 2023-24 Keller Concerto Competition. **Please take the time to review the following list as it has been amended thoroughly, both with additions and removals.** As you select your piece and movements for the contest, please remember that we will be aiming for a programmatic length of less than 15 minutes per winner, so select a movement if appropriate. As always, feel free to request consideration if you are interested in a piece that is not listed below. For exceptions, we will decide based on length, content, cost of materials, & rehearsal time. Pieces struck through have been performed by a previous winner within the last two seasons.
